*“Tremendous opportunities in cloud computing”*

---

CHENNAI: Chairman of Tata Group, Ratan Tata, visited the Great Lakes Institute of Management campus near Mamallapuram on Wednesday and delivered an inspirational talk, according to a press release.

He asked the students to be leaders of tomorrow instead of followers, to give something back to society and to conduct themselves in an ethical and compassionate way.

The session was also attended by S. Ramadorai, vice-chairman of Tata Consultancy Services and Amul Gabrani and A.K. Bishnoi of Tecpro Systems.

At the programme, Mr. Ramadorai was conferred the Great Lakes Lifetime Achievement Award. He spoke about various sectors where India will continue to flourish.

There are tremendous opportunities in cloud computing, he added. Founder and honorary Dean of the Great Lakes Institute of Management Bala V. Balachandran spoke.
