

SCORE Index insights for the third week of November 2024 (18 to 23rd November 2024)

The third week of November was about COP29. This week also included World Toilet Day which is linked with SDG 6: Clean Water and Sanitation.

In the third week of November, we saw news related to the earthquake in Afghanistan which is linked with SDG 13: Climate Change, violence against women in Madhya Pradesh which is linked with SDG 5: Gender Equality as well as SDG 16: Peace, Justice and Strong Institutions and Gautam Adani facing bribery cases which is linked with SDG 16: Peace, Justice and Strong Institutions

	News seen	News not seen
News Expected	News about COP29 were discussed during this week, SDG 13 and SDG 7 SCORES were high.	We expected discussions over SDG 6: Clean Water and Sanitation on the occasion of World Toilet Day but this topic was not given importance.
News not expected	We did not expect the news of violence against women in Madhya Pradesh, it was unfortunate to see words like ‘violence’ occurring 36 times in this week.
