Message from the Director

Dear Students,

Congratulations!

It gives me great pleasure to welcome you to the Great Lakes Institute of Management, Gurgaon family. Over the past decade, this campus has been inspiring greatness in future business leaders like yourself, and we are extremely proud of the various achievements that have shaped the story of our campus and helped it achieve universal recognition as a premier business school in the Indian management education space, known for its quality, innovation and business relevance.

One of the most important pillars of success for our campus has always been the success of our students, and this success is deeply rooted in the values and culture of this campus. Our campus offers an environment that brings together an exceptional faculty team and a very dedicated staff committed to your success. This campus prides itself on having a learning environment that induces everyone present here to nurture their own talent, to experiment with new ideas, and to develop an outlook that never sees challenges as something overwhelming. Since we strongly believe in the concept of ‘One Community’ where every single person is shown respect, I urge every one of you to foster this spirit.

We have been through very challenging times in the last two years battling a pandemic. It is very exciting that the campus is getting its vibrancy back with life returning as close to possible as normal. It is absolutely essential that, as students, you understand how to best use your stint at Great Lakes, Gurgaon to develop problem-solving abilities, social skills, and a ‘never-give-up’ attitude that separates truly successful and tough individuals from the merely lucky.

Success in every career hinges on a person’s ability to think critically, communicate effectively, develop quantitative and technical competencies, and be able to make ethical and moral decisions. Thus, Great Lakes, Gurgaon would like to encourage students to engage actively with their classmates and professors, and to take both analytical and creative approaches towards solving management challenges. Our endeavor is to give our students a transformative experience by helping them develop the skills to start a career within the management profession, as well as build a sense of social responsibility and a commitment to serve others. It is my expectation that each of you with your presence will strengthen and reinforce the culture of this institution. That you will ensure that each of you personally are always a positive, exciting and responsible influence on each of your peers, seniors and juniors.

The graduate management Programs at Great Lakes, Gurgaon provide students a practice-based graduate education. In each course, students learn key business concepts through experiential projects and assignments. At Great Lakes, understanding how to act on what we learn is as important as learning the concepts.

The Student Rule Book is meant to guide you on rules and regulations of the Institute and will help you to navigate your journey here. During your stay here, we would like to ensure clarity and transparency in our communication with you. Also listed are facilities provided in the institution.

Please do spend some time and go through this information carefully so that you do not miss out any opportunity that Great Lakes, Gurgaon may have to offer you. There is a Student Undertaking form that needs to be filled and handed over to the Program Office by the specified date.

As I mentioned at the very beginning, I am excited to have you all join the family and I look forward to your support in maintaining the Institute’s image and uphold its values. Your feedback is of immense value and therefore whenever you wish to give some, do so to the appropriate authority without any hesitation, including me in my capacity as Director.

With best regards,
